Human Sexuality

3 Primary Ways we begin to learn about sex:

1- Judging Without Naming
2- Mislabeling
3- Undefined Words

Why do we want sex?

Biological Urge/Instinct...can present itself 4 ways:

1- Heterosexually
2- Homosexually
3- Bi-sexually
4- Asexually

Sexual Orientation – Homosexuality...what causes it?

1952-1973 ...homosexuality was an official disorder in the DSM (Diagnostic & Statistical Manual)

So is it Nature (biological) or Nurture (environmental)?

The evidence on both sides:

What about pseudo-hermaphroditism, or the “guevedoces?”
